

Please Support the Sparks PTA!

YOU MAKE A DIFFERENCE!
THANK YOU FOR
YOUR SUPPORT!

Dear Sparks Families,

Welcome to the 2023-24 school year! The PTA is gearing up for a great year at Sparks with lots of exciting events and tools to support the school, our students, and our teachers! **BUT, we need your help!**

2023-24 Direct Donation Program

We are reaching out with our annual tax-deductible direct donation request! We kindly ask that each family give a monetary donation instead of asking students to do direct selling to fundraise throughout the year (such as wrapping paper, chocolate bars, pizzas, etc.). Direct Donation is the best way for our Sparks community to directly support our school, and **ALL donations go right back into the school. Please see the reverse of this letter to see the many ways your direct donation dollars support important programs, activities, and materials that enrich Sparks students' education!**

To support these and other activities/expenses this year, the recommended contribution is \$50 per student or up to \$125 per family; however, we truly appreciate monetary donations of ANY amount. If you work for a company that will match donations, please contact Matt Barr, PTA Treasurer, at mattsparkspta@gmail.com.

NAME: _____

DIRECT DONATION AMOUNT: \$_____

How to donate:

- Donations can be made online via our online directory, Membership Toolkit (sign-in required) at sparksptamd.membershiptoolkit.com or by downloading the app. Use this QR Code for easy access.
- Want to help the PTA save on PayPal fees? Pay by check! Simply return this completed form to school in your child's blue folder with a check made payable to "Sparks Elementary PTA."
- Your cashed check will serve as your receipt for your tax-deductible donation.

Questions? Contact Matt Barr, PTA Treasurer at mattsparkspta@gmail.com
