Please use the form below to record ALL of your sponsors' information and donation amounts and then drop them inside the envelope. If a sponsor donates online through PayPal, please include their donation below so that you will get credit for your total amount raised. Grandparents, Aunts, Uncles, and Neighbors, all make great sponsors and every penny they donate will go towards funding classroom equipment and fun events so that Sparks can continue to be a great place to learn!

Checks may be made payable to **Sparks Elementary PTA** and a donation in any amount is appreciated! You can also sponsor online through PayPal. Just click on the Shark Shuffle tab on the Sparks PTA website at www.sparkspta.org. For Parents, My School Anywhere also has a link to donate via PayPal for the Shark Shuffle in the online/app store!
